The introduction of the Judicial Separation with the Chitaldrug District is attended with the difficulty of finding accommodation for the Judges as per details furnished below.

It has been proposed to have 3 Courts one Third grade Court to be located at Davangere and two at Chitaldrug Courts (one First grade Magistrate Court and one Third grade Magistrate) at Chitaldrug. According to the S.P. this appears Rajagopalachariar Scheme in Second grade Magistrate Court where the DD proposes to have only Chitaldrug was to be located as Chelakere. But owing to want of accommodation at Chelakere the DD wants it to be located at Chitaldrug. In the circumstances stated by the DD. his proposal may be approved as a temporary measure, until Satisfactory accommodation

Final Note by the First Member of Council.

Subject:—

Introduction of the Scheme of Separation of Executive and Judicial functions to the Chitaldrug District.

47) The Scheme of Separation of Executive and Judicial functions sanctioned in G.O. No. J.4550-4600/Cts.312-12-1 dated 10th May 1918 has been introduced in all the Districts except Chitaldrug; and it will have come into full operation in the whole State if it is extended to this District. The Deputy Commissioner and District Magistrate of Chitaldrug who was asked to submit proposals in the matter has recommended the establishment of 3 Special Magistrates' courts in the District -one First Class Magistrate's court to be located at Chitaldrug and two Second Class Magistrate's courts to be located -one at Davangere and the other at Chitaldrug. According to the scheme which had been prepared by the Special Officer Mr. S.P. Rajagopalachari in the year 1918, the two Second Class Magistrates' courts were to be located at Davangere and Challakere respectively. But owing to want of accommodation at Challakere, the District Magistrate proposes that, instead of having a Second Class Magistrate's Court at that place, it may be located at Chitaldrug itself, and provision made, if necessary, for holding the court for about a week every month at Molakalmuru to avoid inconvenience to the people of this Taluk.

48) The question was discussed at the meeting of the Council on the 28th May 1925 when it was resolved that one First Class Magistrate's Court and two Second Class Magistrates' Courts may be established in the Chitaldrug District during the coming year according to the scheme submitted by the Deputy Commissioner.

In the event of the high price allowance being added the cost will be more. This point has to be decided; for on it depends the provision of Rs 1000 in the order for the t.a of the itinerant magistrate this step. The expression 'once a week' seems to require change to 'for a week every month', so as to accord with the Dt magts recommendation in para 2 of his letter.

3) The net average cost of the Scheme as calculated in the draft comes to Rs 22,672 for 1925-26 & for 8 months (⊗) from 1st October the cost will be roughly Rs 14,500, taking the minimum pay of the magistrates into account. The extra amount necessary over the lumpsum provision of Rs 12,000 will be about Rs 2500. There might be savings under 'Salaries' of magistrates in the current year's budget, as provision is made for 7 1st grade, 10, 2nd grade & 10 3rd grade magistrates while there are actually 7, 9 & 10 magistrates respectively in each grade at present.

Office and stated the proposed alterations could not be carried out in a rented building for reasons given in the letter. The estimate is for Rs 1000/- This may perhaps be financed by the P.W.D. or by some readjustment in the Civil Budget and the work may perhaps be sanctioned, as it will cost Rs 60/- a month or 720 p.a. in the shape of house rent (a recurring expenditure). The D.C. left for P.W.D. may be consulted first.

This appears to be too much, as in the Veravan Scheme where three tanks, and Tumbavur scheme where four tanks were established, only Rs 2000/- & Rs 2500/- respectively were provided for this item. The proposal of the D.C. to make alterations to the present Sub-Division office at a cost of Rs 1000, seems to be fair as it saves Rs 40 towards rent every month. This may be accepted & may be ordered to be commenced at once so that the [illegible] may be available on 1st Oct.

Office of the District Magistrate,
Chitaldrug District.
Dated Chitaldrug, 10th May 1925.

From

S. Venkatarangam Esquire B.A.,B.L.,
District Magistrate,
Chitaldrug District.

CS 275-24-2.

To

B. Nagappa Esquire Bar-at-Law,
Secretary to the Government of Mysore,
Local and Legislative Departments,
Bangalore.

Sir,

Adverting to your letter No.P.5369-(1)/Cts.37-24-16 dated 31st March 1925 and subsequent reminder No.P.5768/Cts dated 13th April 1925 calling for proposals for the introduction of the scheme for the separation of Executive from Judicial functions in this District, I have the honor to state that the scheme of separation may with advantage be introduced into this District as early as possible.

2. After a careful consideration of the suggestions made by Mr. S.P. Rajagopalachari in the report made by him as Special Officer in 1918 and the Government orders on the subject, I am of opinion that the location of the courts tentatively approved by Government in their order of 10th May 1918 is at present more convenient so far as this District is concerned than the one suggested by the Special Officer, as it will be more difficult to secure suitable accommodation for the 2nd Class Magistrate's court at Chellakere. Chitaldrug is somewhat nearer to Jagalur and Hiriyur than Chellakere and is connected with the two latter places and for that matter Molakalmuru also, by motor service and affords better facilities of accommodation and legal advice to the public. The supervision and control of the work of the Magistrate will also be easier if the court is located at Chitaldrug. It is no doubt true that, as observed by the Special Officer, Molakalmuru is more than 50 miles from Chitaldrug and the frontier portions of that Taluk are still more distant but the 2nd class cases of that Taluk which are not usually many were being tried by Magistrates stationed at Chitaldrug whenever the Amildar happened to possess only 3rd class powers without demur or protest from the public of the Taluk. With a view however to cause no inconvenience whatever on this account, arrangements may, if necessary, be made for holding the 2nd class Magistrate's court at Molakalmuru, for about a week in every month in same way as the Special Magistrate of Shimoga holds his court once

forthwith at Tirthahalli as ordered tentatively in Government order No. P.3178-82/Cts.215-71-19 dated 28th December 1974.

3. As regards the jurisdiction of the above courts statistics are not available of the different classes of cases dealt with by Magistrates in the District and the appended statement B merely shows the average number of cases tried in all the courts during the past three years. As however the powers exercised by the different courts have varied from time to time it is difficult to give the strength of the number of cases of the different classes arising in the several Taluks. I am therefore of opinion that for the present the jurisdiction of the Magistrates may be defined as hereunder, the 1st class Magistrate at Chitaldrug being also invested with the power to hear appeals from convictions by Magistrates of the Second and Third classes.

(1) First Class Magistrate, Chitaldrug:- All 1st class cases in the District and all cases of the Chitaldrug Taluk.

(2) Second Class Magistrate, Chitaldrug:- The Taluks of Hiriyur, Challakere, Jagalur and Molakalmuru; and

(3) Second Class Magistrate, Davangere:- The Taluks of Davangere, Holalkere and Hosdrug and Harihar Sub Taluk.

4. Bench Courts with 3rd class powers may be simultaneously ordered to be opened at the Head Quarter stations of all Taluks and the Harihar Sub Taluk. I am consulting the Sub Division Officers and Amildars regarding the nominations of gentlemen for the formation of the Benches and proposals in this behalf will be submitted on receipt of their replies.

5. With regard to the accommodation required for the new courts, the Sub Division Officer of Davangere has reported that the court at that place will have to be located in a rented building and that there is a suitable building available for the purpose on a monthly rent of Rs 60. One Kuppanna, son of Andanur Sivalingappa has also submitted a petition to me representing that he is prepared to rent out ~~this~~ his Dungalow or the front portion of it at Davangere for a monthly rent of Rs 75 or Rs 55 respectively for the court and judging from the plans submitted, this building appears to be better suited for the purpose than the one referred to by the Sub Division Officer. I am myself going to Davangere on the 16th instant and shall then inspect both these and also all the public buildings at the place to see whether it is not possible to readjust the existing offices

so as to secure in them the accommodation required for the new court. Final proposals as to which of the buildings should be taken up and made available for the court, till a new building is constructed will be submitted after I make myself sure that sufficient accommodation cannot be got for the court by a reallocation of the rooms in the several public buildings to the different offices. As for the two Special Magistrates' courts at Chitaldrug, I beg to suggest that the old High School Head Master's quarters in which the District Normal School Hostel is now located and which is very near the District Office building may for the present be made available, the Hostel being shifted to a rented building in the town, as it was in fact located till 8th February 1925 when on the transfer of the Normal School to Mr. Ananthiah Setty's buildings in the town it was shifted to the Head Master's quarters. If this is done one of the new courts preferably the Second Class court and the offices under the Assistant Commissioner, Chitaldrug Sub Division will be located in it and the rooms now occupied by the Assistant Commissioner and his offices made available for the First Class Court

6. As regards the entertainment of the establishment required for the new courts, the purchase of furniture and books and the amounts required for contingencies &c., I request that necessary sanction of Government may be obtained for incurring expenditure according to the scale detailed in the statement "A" appended.

7. The Superintendent of Government Stationery may be requested to supply the required registers, forms and stationery articles as per indents to be sent from this office.

8. The Lockup at Davangere has no sufficient accommodation and it is very necessary that the existing building at that place should be extended so as to accommodate more prisoners; a reference may kindly be made to the Inspector General of Prisons in Mysore in the matter. The Inspector General of Police may also be authorised to appoint necessary extra police staff for the Lockups and for prosecution work as in other Districts.

I have the honor to be,

Your most obedient servant,

S Krishnaswamy

District Magistrate.

First Member of Council to His Highness the Maharaja
of Mysore.

Respected Sir:-

In connection with introduction of the judicial separation scheme, which is to be given effect to, in the Chitaldrug Dist from 1925-26, I beg to offer the following my humble suggestion regarding the location of the special courts, for your kind consideration

I learn that the Deputy Commissioner Chitaldrug Dist, has proposed that one 1st grade Court and II grade Court to be located at Chitaldrug and another II grade Court to be located at Davanagere. The disadvantages of the two Courts being

P.T.O.

being located at Chitradurga alone, are many and widely felt. Firstly it would be hard for the people of Molkalmuru the jurisdiction of which is as far as 80 miles from Chitradurga, and also for the people of Chellakere the jurisdiction of which is 50 miles from Chitaldrug. For those people, to go such long distances and seek out judicial remedies, is next to impossibility.

II ly. The town of Challakere is growing in importance every day and is so situated that it would be very convenient for the people of both Molkalmuru and Hiriyur Taluks to go here and attend to their Criminal work. As this town is a very important Commercial Centre, and people from all parts and specially those of Hiriyur & Molkalmuru Taluks will be often frequenting the place for their avocations, it would be doubly advantageous to them if a court of the 2nd grade would be established here.

A memorial has already been submitted to the Dewan of Mysore from the people of Challakere & Molkalmuru Taluks in the light of the above suggestions

P.T.O.

suggestions. 11

Upon the representation of Mr. B. Narasinga Rao, Pleader & R. A. member, Seringapatam during the last Birth-day Sessions, you were pleased to accept the principle of avoiding the conjestion of courts in one and the same place.

Mr. Rajagopalachar who was specially deputed in the matter has also recommended that Chellavan should be given a special court.

The location of a special court at Chellavan, is thus, desirable from all points of view. So far as the Chitaldrug Taluk is concerned, there will be no difficulty experienced, if the jurisdiction is given to the I grade court as in other districts.

The present Taluk office building at Chellavan is highly commodious, and if necessary, the Municipality will be ready to construct separate building for the special court at a reasonable rent.

I would be always ready

P.T.O.

ready to give any more information that may be required in this Connection.

From the foregoing, it is quite clear that a special Court at Chellakere is not merely a desire but a necessity and it would be both just and kind on your part, if you would recommend the location of the Court at Chellakere.

I beg to remain,

respected Sir

your most obedient and

Sir,

In continuation of my letter No. C.J.219 of 24-25 dated 10th May 1925 submitting proposals for the introduction of the scheme for the separation of Executive from Judicial functions in this District, I have the honor to state that, as mentioned in para 5 of my letter, I inspected the two buildings at Davangere referred to therein on the 18th idem in company with the present Sub Divisional Assistant Commissioner and other local Officers and leading gentlemen of the town. Both the buildings are situated in a crowded locality and are ill adapted for the location of the Special Magistrate's Court. The townspeople also do not appear to be quite in favor of having the court in the midst of their dwelling houses. The accommodation required for the court can however, be found by effecting certain alterations to the Sub Division Office

building and the Sub Division Officer has agreed to the making of these alterations. I enclose herein, a sketch of the alterations proposed together with an estimate for Rs 1000 being the probable cost of the alterations required in the building and request that necessary sanction may be kindly obtained to the estimate, as this arrangement will be much more convenient and economical in the long run, than the renting of a private building at a cost, monthly, of Rs 40 or more in Davangere town.

Adverting to correspondence ending with your letter No.P. 1206/Cts.275-24-14 dated the 22nd August 1925, in the matter of effecting certain alterations in the Revenue Sub Division Office Building at Davangere in connection with the separation of executive and judicial functions in the Chitaldrug District, I have the honour to inform you that all the alterations proposed by the Deputy Commissioner appear suitable and may be carried out except the dismantling of the wall marked "D" on plan on which the tiled roof is now resting. This may be allowed to remain in its present position instead of shifting it to position "C" unless absolutely necessary, in which case special precautions may be taken to support the roof on both sides before dismantling the wall.

2. As regards the cost of the work funds have to come out of the minor grant for "Original Works, Civil Buildings - Minor Works." If the proposal is accepted, the estimate will be sanctioned by this department.

Sir,

Adverting to your letter No. P 478/Cts. 275-24-11 dated 30th July 1925 calling for a report in consultation with the Inspector General of Education in Mysore in the matter of shifting the District Normal School Hostel to a rented building for securing suitable accommodation for the two Special Magistrates' Courts to be newly established at Chitaldrug, I have the honour to state that the Inspector General of Education, who was consulted in the matter having replied that it was not possible to shift the Normal School Hostel to a rented building, necessary arrangements have been made to provide accommodation for both the new courts in the District Office Building for the present. This arrangement however has rendered the accommodation of most of the Offices in the Building congested and necessitated the lodging of the District Office Records in several rooms assigned to clerks and at a distance from one another. It is therefore necessary to extend the District Office Building and proposals in this behalf will be submitted in due course.

A copy of the order passed by me in this connection is enclosed for information.
